## **TAYLOR WAY IS CLOSED DURING MAINTENANCE OPERATIONS**

**Starting the week of May 4<sup>th</sup> the refuge will be doing maintenance on Taylor Way. This work involves a dangerous mower that throws material up to 300 feet and we do not want the public to get injured. At the same time we will be operating tractors, dozers, and dump trucks so we want to keep the public off the trail while we are working. Due to the nature of this type of work, we are unsure how long work will take to accomplish. When work has been completed we will update our website and refuge Facebook.**

**Thank you for understanding and we apologize for the inconvenience to your visit.**
